

OTH 2022 DECREE

**We decree, that we are God's anointed and appointed reformers
for this new era.**

We are His children, called by His Name!

**We will change a culture as we preach the Kingdom,
heal the sick and cast out demons.**

We will not fear the works of darkness!

**We decree, that we are delivered from wicked and unreasonable
people.**

**We prophesy, that the door to freely preach the Gospel of Jesus
Christ, shall remain open in our nation.**

We declare, God's supernatural strength and power rests upon us!

**We send angels to surround us, and all shall be well for us as
children of the most high!**

**We declare, let the Lion of the tribe of Judah roar, in the Body of
Christ and in our nation!**
